PRE-AUTHORISE YOUR TREATMENT

If we pre-authorise your treatment, this means that we will pay up to the limits of your plan provided that all the following requirements are met: the treatment is eligible treatment that is covered by your plan, you have an active membership at the time that treatment takes place, your subscriptions are paid up to date, the treatment carried out matches the treatment authorised, you have provided a full disclosure of the condition and treatment required, you have enough benefit entitlement to cover the cost of the treatment, your condition is not a pre-existing condition, the treatment is medically necessary, and the treatment takes place within 31 days after pre-authorisation is given. Please check the 'How to use your plan' book for more details.

CALL: +44 (0) 1273 333 911
FAX: +44 (0) 1273 866 301

Important rules: please note that pre-authorisation is only valid if all the details of the authorised treatment, including dates and locations, match those of the treatment received. If there is a change in the treatment required, if you need to have further treatment, or if any other details change, then you or your consultant must contact us to pre-authorise this separately. We make our decision to approve your treatment based on the information given to us. We reserve the right to withdraw our decision if additional information is withheld or not given to us at the time the decision is being made.

This is a summary. Please ensure you read the full details in the 'How to use your plan' and 'Table of benefits' booklets, and your Membership Certificate, included in your membership pack.

Step 1: Where to get treatment

As long as it is covered by **your** plan, **you** can have **your treatment** at any recognised **hospital** or clinic. If **you** don't know where to go, please contact **our** Healthline service for help and advice.

Participating hospitals

To help **you** find a facility, **we** have also developed a global **network** of over 7,500 medical centres, called participating **hospitals** and clinics. The list is updated regularly, so please visit www.bupa-intl.com for the latest information. **We** can normally arrange direct settlement with these facilities (see Step 3 below).

Getting treatment in the USA

You must call **our Service Partner** on 800 554 9299 (from inside the US), or +1 800 554 9299 (from outside the US) to arrange any **treatment** in the USA.

Step 2: Contact us

If **you** know that **you** may need **treatment**, please contact **us** first. This gives **us** the chance to check **your** cover, and to make sure that **we** can give **you** the support of **our** global **networks**, **our** knowledge and **our** experience.

Pre-authorising in-patient treatment and day-case treatment

You must contact **us** whenever possible before **in-patient treatment** or **day-case treatment**, for pre-authorisation. This means that **we** can confirm to **you** and to **your hospital** that **your treatment** will be covered under **your** plan.

Pre-authorisation puts **us** directly in touch with **your hospital**, so that **we** can look after the details while **you** concentrate on getting well. The 'Pre-authorisation' section contains all of the rules and information about this.

When **you** contact **us**, please have **your** membership number ready. **We** will ask some or all of the following questions:

- what condition are **you** suffering from?
- when did **your** symptoms first begin?
- when did **you** first see **your family doctor** about them?
- what **treatment** has been recommended?
- on what date will **you** receive the **treatment**?
- what is the name of **your consultant**?
- where will **your** proposed **treatment** take place?
- how long will **you** need to stay in **hospital**?

If **we** can pre-authorise **your treatment**, **we** will send a pre-authorisation statement that will also act as **your** claim form (see Step 3 below).

Step 3: Making a claim

Please read the 'Making a claim' section for full details of how to claim. Here are some guidelines and useful things to remember.

ABOUT YOUR MEMBERSHIP

Direct settlement/pay and claim

Direct settlement is where the provider of **your treatment** claims directly from **us**, making things easier for **you**. The alternative is for **you** to pay and then claim back the costs from **us**.

We try to arrange direct settlement wherever possible, but it has to be with the agreement of whoever is providing the **treatment**. In general, direct settlement can only be arranged for **in-patient treatment** or **day-case treatment**.

Direct settlement is easier for **us** to arrange if **you** pre-authorise **your treatment** first, or if **you** use a participating **hospital** or clinic.

What to send

We must receive a fully completed claim form and the original invoices for **your treatment**, within six months of the **treatment** date.

If this is not possible, please write to **us** with the details and **we** will see if an exception can be made.

Your claim form

You must ensure that **your** claim form is fully completed by **you** and by **your medical practitioner**. The claim form is important because it gives **us** all the information that **we** need. Contacting **you** or **your medical practitioner** for more information can take time, and an incomplete claim form is the most common reason for delayed payments.

You can download a claim form from **our** MembersWorld website, or contact **us** to send **you** one. Remember that if **your treatment** is pre-authorised, **your** pre-authorisation statement will act as **your** claim form.

How we make payments

Wherever possible, **we** will follow the instructions given to **us** in the payment section of the claim form:

- we can pay **you** or the **hospital**
- we can pay by cheque or by electronic transfer
- we can pay in over 80 currencies

To carry out electronic transfers, **we** need to know the full bank name, address, SWIFT code and (in Europe only) the IBAN number of **your** bank account. **You** can give **us** this information on the claim form.

Tracking a claim

We will process **your** claim as quickly as possible. **You** can easily check the progress of a claim **you** have made by logging on to **our** MembersWorld* website.

Claim payment statement-MyClaim

When **your** claim has been assessed and paid, **we** will send a statement to **you** to confirm when and how it was paid, and who received the payment. Again, please contact **us** if **you** have any questions about this information.

* MembersWorld may not track claims in the USA as **we** use a third party here.

The **Bupa International** Group Plan is a group insurance plan. **You** are therefore one of a group of members, which has a **sponsor** (normally the company that **you**, the **principal member** work for).

This plan is governed by an **agreement** between **your sponsor** and **Bupa International**, which covers the terms and conditions of **your** membership. This means that there is no legal contract between **you** and **Bupa International**. Only the **sponsor** and **Bupa International** have legal rights under the **agreement** relating to **your** cover, and only they can enforce the **agreement**.

As a member of the plan, **you** do have access to **our** complaints process. This includes the use of any dispute resolution scheme **we** have for **our** members.

The following must be read together as they set out the terms and conditions of your membership:

- **you**, the **principal member's** application for cover: this includes any quote request, applications for cover for **you** and **your dependants** (if any) and the declarations that **you**, the **principal member** made during the application process
- **your** rules and benefits in the 'How to use your plan' booklet and 'Table of benefits' booklet within your membership pack
- **your** Membership Certificate

The full name of your insurer is shown on your Membership Certificate.

When your cover starts

The start date of **your** membership is the 'effective from' date shown on **your** Membership Certificate.

If you move to a new country or change your specified country of nationality

You, the **principal member** must tell **your sponsor** straight away if **your specified country of residence** or **your specified country of nationality** changes.

Your new country may have different regulations about health insurance. **You**, the **principal member** need to tell **your sponsor** of any change so that **we** can make sure that **you** have the right cover and that all local regulations are being met.

PRE-AUTHORISATION

This section contains rules and information about what pre-authorisation means and how it works.

What pre-authorisation means

If **we** pre-authorise **your treatment**, this means that **we** will pay up to the limits of **your** plan provided that all of the following requirements are met:

- the **treatment** is eligible **treatment** that is covered by **your** plan
- **you** have an active membership at the time that **treatment** takes place
- **your** subscriptions are paid up to date
- the **treatment** carried out matches the **treatment** authorised
- **you** have provided a full disclosure of the condition and **treatment** required
- **you** have enough benefit entitlement to cover the cost of the **treatment**
- **your** condition is not a **pre-existing condition** (see the 'What is not covered?' section in **your** 'Table of benefits' booklet)
- the **treatment** is medically necessary
- the **treatment** takes place within 31 days after pre-authorisation is given

Treatment we can pre-authorise

We can pre-authorise **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans.

Length of stay (in-patient treatment)

Your pre-authorisation will specify an approved length of stay for **in-patient treatment**. This is the number of days in **hospital** that **we** will cover **you** for. If **your**

treatment will take longer than this approved length of stay, then **you** or **your consultant** must contact **us** for an extension to the pre-authorisation.

Treatment in the USA

All **in-patient treatment** and **day-case treatment**, cancer **treatment** and MRI, CT or PET scans in the USA must be pre-authorised. If **you** are going to receive any of these **treatments**, ask **your** medical provider to contact **Bupa International** for pre-authorisation. All the information they need is on **your** membership card.

We have made special arrangements if **you** need to be hospitalised in the USA. These include access to a select **network** of quality medical providers and direct settlement of all covered expenses when **you** receive **treatment** in a **network hospital**.

Treatment which has not been pre-authorised

If **you** choose not to get **your treatment** in the USA pre-authorised, **we** will only pay 50 percent towards the cost of covered **treatment**.

Of course **we** understand that there are times when **you** cannot get **your treatment** pre-authorised, such as in an **emergency**. If **you** are taken to **hospital** in an **emergency**, it is important that **you** arrange for the **hospital** to contact **us** within 48 hours of **your** admission. **We** can then make sure **you** are getting the right care, and in the right place. If **you** have been

taken to a **hospital** which is not part of the **network** and, if it is the best thing for **you**, **we** will arrange for **you** to be moved to a **network hospital** to continue **your treatment** once **you** are stable.

If **we** have been notified within 48 hours of an **emergency** admission to **hospital**, **we** will not ask **you** to share the cost of **your treatment**.

Out of network treatment

If **your treatment** in the USA has been pre-authorised, but **you** choose not to go to a **network hospital**, **we** will only pay 80 percent towards the cost of covered **treatment**.

There may be times when it is not possible for **you** to be treated at a **network hospital**. These include:

- where there is no **network hospital** within 30 miles of **your** address, and
- when the **treatment you** need is not available in the **network hospital**

In these cases, **we** will not ask **you** to share the cost of **your treatment**.

Important rules

Please note that pre-authorisation is only valid if all the details of the authorised **treatment**, including dates and locations, match those of the **treatment** received. If there is a change in the **treatment** required, if **you** need to have further **treatment**, or if

any other details change, then **you** or **your consultant** must contact **us** to pre-authorise this separately. **We** make **our** decision to approve **your treatment** based on the information given to **us**. **We** reserve the right to withdraw **our** decision if additional information is withheld or not given to **us** at the time the decision is being made.

MAKING A CLAIM

At times of ill health, **you** want to concentrate on getting well. **We** will do everything **we** can to make **your** claim as simple and straightforward as possible.

How to make a claim

Claim forms

Your claim form is important as it gives **us** the information that **we** need to process **your** claim. If it is not fully completed **we** may have to ask for more information. This can delay payment of **your** claim.

You must complete a new claim form:

- for each member
- for each condition
- for each in-patient or day-case stay, and
- for each currency of claim

If a condition continues over six months, **we** will ask for a further claim form to be completed.

What to send us

You need to return the completed form to **us** by post, with the original invoices, as soon as possible. This must be within six months of receiving the **treatment** for which **you** are claiming. Invoices sent to **us** after six months will not normally be paid.

Requests for further information

We may need to ask **you** for further information to support **your** claim. If **we** do, **you** must provide this. Examples of things **we** might ask for include:

- medical reports and other information about the **treatment** for which **you** are claiming
- the results of any medical examination performed at **our** expense by an independent **medical practitioner** appointed by **us**

- written confirmation from **you** as to whether **you** think **you** can recover the costs **you** are claiming from another person or insurance company

If **you** do not provide the information that **we** ask for, **we** may not pay **your** claim in full.

Please also read about correspondence in the '**Your** membership' section.

Important

When making a claim please note:

- **you** must have received the **treatment** while covered under **your** membership
- payment of **your** claim will be under the terms of **your** membership and up to the benefit levels shown, that apply to **you** at the time **you** receive the **treatment**
- **we** will only pay for **treatment** costs actually incurred by **you**, not deposits or advance invoices or registration/administration fees charged by the provider of **treatment**
- **we** will only pay for **treatment** costs that are reasonable and customary
- **we** do not return original documents such as invoices or letters. However, **we** will be pleased to return certified copies if **you** ask **us** when **you** submit **your** claim

Confirmation of your claim

We will always send confirmation of how **we** have dealt with a claim. If applicable, for child **dependants** (those aged under 18 years), **we** will write to the

principal member. If the claim is for **treatment** received by the **principal member**, or an adult dependant (those aged over 18 years), **we** will write directly to the individual concerned.

How your claim will be paid

Wherever possible, **we** will follow the instructions given to **us** in the 'Payment details' section of the claim form.

Who we will pay

We will only make payments to the member who received the **treatment**, the provider of the **treatment**, the **principal member** of the membership or the executor or administrator of the member's estate. **We** will not make payments to anyone else.

Payment method and bank charges

We will make payment where possible by electronic transfer or by cheque. Payments made by electronic transfer are quick, secure and convenient. To receive payment by electronic transfer, **we** need the full bank account, SWIFT code, bank address details and (in Europe only) IBAN number to be provided on the claim form.

We will instruct **our** bank to recharge the administration fee relating to the cost of making the electronic transfer to **us** but **we** cannot guarantee that these charges will always be passed back for **us** to pay. In the event that **your** local bank makes a charge for a wire transfer **we** will aim to refund this as well. Any other bank charges or fees, such as for currency

exchange, are **your** responsibility, unless they are charged as a result of **our** error.

Cheques are no longer valid if they are not cashed within 12 months. If **you** have an out-of-date cheque, please contact customer services, who will be happy to arrange a replacement.

Payment currency and conversions

We can pay in the currency in which **your sponsor** pays **your** subscriptions, the currency of the invoices **you** send **us**, or the currency of **your** bank account.

We cannot pay **you** in any other currency.

Sometimes, the international banking regulations do not allow **us** to make a payment in the currency **you** have asked for. If so, **we** will send a payment in the currency of **your sponsor's** subscriptions.

If **we** have to make a conversion from one currency to another **we** will use the exchange rate that applies on either the date on which the invoices were issued or the last date of the **treatment**, whichever is later.

The exchange rate used will be the average of the buying and selling rates across a wide range of quoted rates by the banks in London on the date in question. If the date is not a working day **we** will use the exchange rate that applies on the last working day before that date.

ASSISTANCE COVER

(optional if purchased)

This section contains the rules and information for Assistance cover, an optional benefit which helps **you** if **you** need to travel to get the **treatment** that **you** need.

Other claim information

Discretionary payments

We may, in certain situations, make discretionary or 'ex gratia' payments towards **your treatment**. If **we** make any payment on this basis, this will still count towards the overall maximum amount **we** will pay under **your** membership. Making these payments does not oblige **us** to pay them in the future.

We do not have to pay for **treatment** that is not covered by **your** plan, even if **we** have paid an earlier claim for a similar or identical **treatment**.

Overpayment of claims

If **we** overpay **you** for **your** claim, **we** reserve the right to deduct the overpaid amount from future claims or seek repayment from **you**.

Claiming for treatment when others are responsible

You must complete the appropriate section of the claim form if **you** are claiming for **treatment** that is needed when someone else is at fault, for example in a road accident in which **you** are a victim. If so, **you** will need to take any reasonable steps **we** ask of **you** to assist **us** to:

- recover from the person at fault (such as through their insurance company) the cost of the **treatment** paid for by **Bupa International**, and
- claim interest if **you** are entitled to do so

Note: Subrogation

In the event of any payment of any claim under **your** membership, **Bupa International** or any person or company that it nominates may be **subrogated** to all rights of recovery of the member and any person entitled to the benefits of this coverage. The member shall sign and deliver all documents and papers and do whatever else is necessary to secure such **subrogated** rights to **Bupa International** or its nominated party. The member shall do nothing after the claim to prejudice such rights.

Claiming with joint or double insurance

You must complete the appropriate section on the claim form, if **you** have any other insurance cover for the cost of the **treatment** or benefits **you** have claimed from **us**. If **you** do have other insurance cover, this must be disclosed to **us** when claiming, and **we** will only pay **our** share of the cost of the **treatment** or benefits claimed.

Note: there are two levels of Assistance cover: Evacuation and Repatriation. **Your** Membership Certificate will show if **you** have Evacuation or Repatriation but **you** can visit the MembersWorld website or contact the customer services helpline if **you** are unsure.

What is Assistance cover?

The Evacuation and Repatriation options both cover **you** for reasonable transport costs to the nearest medical facility where the **treatment** that **you** need is available, if it is not available locally. Repatriation also gives **you** the option of returning to **your specified country of nationality** or **your specified country of residence**.

We may not be able to arrange Evacuation or Repatriation in cases where the local situation makes it impossible, unreasonably dangerous or impractical to enter the area; for example from an oil rig or within a war zone.

Assistance cover-general rules

The following rules apply to both the Evacuation and Repatriation levels of cover:

- **you** must contact **our** appointed representatives for confirmation before **you** travel, on +44 (0) 1273 333 911
- **our** appointed representatives must agree the arrangements with **you**
- Assistance cover is applicable for **in-patient treatment** and **day-case treatment** only

- the **treatment** must be recommended by **your consultant** or **family doctor** and, for medical reasons, not available locally
- the **treatment** must be eligible under **your** plan
- **you** must have cover for the country **you** are being treated in, for example the USA
- **you** must have the appropriate level of Assistance cover in place before **you** need the **treatment**

Evacuation or Repatriation will not be eligible if **you** were aware of the symptoms of **your** condition before applying for Assistance cover.

We will not approve a transfer which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your** case, when it is reasonable for **us** to do so. Evacuation or Repatriation will not be authorised if this would be against medical advice.

How to arrange your Evacuation or Repatriation

Arrangements for Evacuation or Repatriation will be made by **our** appointed representatives and must be confirmed in advance by calling + 44 (0) 1273 333 911. **You** must provide **us** with any information or proof that **we** may reasonably ask **you** for to support **your** request. **We** will only pay if all arrangements are agreed in advance by **Bupa International's** appointed representatives.

Note: **we** do not pay for any other costs related to the evacuation such as hotel accommodation or taxis. Costs of any **treatment you** receive are not payable under Evacuation cover, but are payable from **your** medical cover as described in the 'What is covered?' section of **your** 'Table of benefits' booklet.

Note: **we** do not pay for any other costs related to the repatriation such as hotel accommodation or taxis. Costs of any **treatment you** receive are not payable under Repatriation cover, but are payable from **your** medical cover as described in the 'What is covered?' section of **your** 'Table of benefits' booklet.

Please also note that for medical reasons the member receiving **treatment** may travel in a different class from their companion.

ANNUAL DEDUCTIBLES

Please read this section if **you** have an **annual deductible** on **your** plan.

Important – please remember that:

- the **annual deductible** applies separately to each person included on **your** membership
- even if the amount **you** are claiming is less than the **annual deductible**, **you** should still submit a claim to us
- this is an **annual deductible**, therefore, if **your** first claim is towards the end of **your membership year**, and **treatment** continues over **your renewal date**, the **annual deductible** is payable separately for **treatment** received in each **membership year**
- if **your** claims are paid direct to **your** medical provider, **you** are responsible for paying any deductible shortfall to the provider after the claim has been assessed and paid

What is an annual deductible?

The **annual deductible** is the total value that **your** eligible claims must reach each **membership year** before **we** will start to pay any benefit.

For example, if **you** have an **annual deductible** of GBP 500, the total value of **your** eligible claims must reach GBP 500 before **we** will pay any benefit.

The **annual deductible** applies separately to each person on **your**, the **principal member's** membership.

The amount of **your annual deductible** will be shown on **your** Membership Certificate, which **you** can view online at **our** MembersWorld website. If **you** are unsure whether **your** cover includes an **annual deductible**, please contact **our** customer services helpline.

At any point **you** can check the amount of **your** remaining **annual deductible** by contacting **our** customer services helpline.

Annual deductibles are only available on the following levels of cover:

- Essential
- Classic
- Gold

The following levels of cover do not qualify for **annual deductibles**:

- Classic with dental
- Gold with dental
- Gold Superior
- Gold Superior with optical and dental

The following products do not qualify for **annual deductibles**:

- Maritime
- Oil and Gas

How an annual deductible works

If a claim is smaller than **your** remaining **annual deductible**, **you** must still submit it to **us** as normal. **We** will not pay any benefit, but the claim will count towards reaching **your annual deductible**. **We** will send **you** a statement informing **you** how much is left.

If an eligible claim exceeds **your** remaining **annual deductible**, **we** will pay the amount of the claim less the remaining **annual deductible**.

Once **your annual deductible** is reached, **we** will pay all eligible claims in full, up to the benefit limits of **your** plan.

How claims are paid to you

If **you** submit a claim and have asked **us** to pay **you**:

- **your** benefit will be paid less the amount of the **annual deductible**
- **we** will send **you** a statement showing how **your** claim has been settled, including any amounts set against the **annual deductible**

How claims are paid direct to your medical provider

If **you** have asked **us** to make a payment direct to **your** medical provider:

- **we** will send payment to the medical provider for the eligible claim. **We** will deduct from this payment the remaining **annual deductible** on **your** membership
- **we** will send **you** a statement as usual, confirming the amount that **we** have paid towards **your** claim
- **you** are responsible for paying any shortfall to the provider after **your** claim has been assessed and paid

You are responsible for paying the **annual deductible** in all circumstances.

YOUR MEMBERSHIP

This section contains the rules about **your** membership, including when it will start and end, renewing **your** plan, how **you**, the **principal member** can change **your** cover and general information.

Paying subscriptions and other charges

Your sponsor has to pay any and all subscriptions due under the **agreement**, together with any other charges (such as insurance premium tax) that may be payable.

Starting and renewing your membership

When your cover starts

Your membership starts on the 'effective date' shown on the first Membership Certificate that **we** sent **you**, the **principal member** for **your** current continuous period of **Bupa International** Company membership.

Renewing your membership

The renewal of **your** membership is subject to **your sponsor** renewing **your** membership under the **agreement**.

Ending your membership

Your sponsor can end **your**, the **principal member's** membership, or that of any of **your dependants** (if applicable), from the first day of a month by writing to **us**. **We** cannot backdate the cancellation of **your** membership.

Your membership will automatically end:

- if the **agreement** between **Bupa International** and **your sponsor** is terminated
- if **your sponsor** does not renew **your** membership

- if **your sponsor** does not pay subscriptions or any other payment due under the **agreement** for **you** or for any other person
- if the membership of the **principal member** ends
- upon the death of the **principal member**

If you move to a new country or change your specified country of nationality

You, the **principal member** must tell **your sponsor** straight away if **your specified country of residence** or **your specified country of nationality** changes.

We may need to end **your** membership if the change results in a breach of regulations governing the provision of healthcare cover to local nationals, residents or citizens.

The details of regulations vary from country to country and may change at any time.

In some countries **we** have local partners who are licensed to provide insurance cover but which are administered by **Bupa International**. This means that customers experience the same quality **Bupa International** service.

If **you** change **your specified country of residence** to a country where **we** have a local partner, in most cases **you** will be able to transfer to **our** partner's insurance policy without further medical underwriting. **You** may also be entitled to retain **your** continuity of **Bupa International** membership; which means that for those benefits which aren't covered until **you** have

been a member for a certain period, the time **you** were a member with **us** will count towards that. Please note that if **you** request a transfer to a local partner, **we** will have to share **your** personal information and medical history with the local partner.

If **you** change **your specified country of residence** or **your specified country of nationality**, please call the **Bupa International** customer services helpline so **we** can confirm if **your Bupa International** membership is affected, and, if so, whether **we** can offer **you** a transfer service.

Important – please read

Bupa International can end a person's membership and that of all the other people listed on the Membership Certificate if there is reasonable evidence that any person concerned has misled, or attempted to mislead **us**. By this, **we** mean giving false information or keeping necessary information from **us**, or working with another party to give **us** false information, either intentionally or carelessly, which may influence **us** when deciding:

- whether **you** (or they) can join the plan
- what subscriptions **you** have to pay
- whether **we** have to pay any claim

After your Company membership ends

You, the **principal member** can apply to transfer to a personal **Bupa International** plan if **your** membership of **your** group plan ends. **You** can also apply for **your dependants** (if applicable) to transfer with **you**.

Please contact the customer service helpline for more information.

Making changes to your cover

The terms and conditions of **your** membership may be changed from time to time by **agreement** between **your sponsor** and **Bupa International**.

Amending your Membership Certificate

We will send **you**, the **principal member** a new Membership Certificate if:

- with the **sponsor's** approval, **you**, the **principal member** add a new dependant to **your** membership (if applicable)
- we need to record any other changes requested by **your sponsor** or that **we** are entitled to make

Your new Membership Certificate will replace any earlier version **you** possess as from the issue date shown on the new Membership Certificate.

General information

Other parties

No other person is allowed to make or confirm any changes to **your** membership on **our** behalf, or decide not to enforce any of **our** rights.

No change to **your** membership will be valid unless it is confirmed in writing. Any confirmation of **your** cover will only be valid if it is confirmed in writing by **us**.

ADDING DEPENDANTS

If **you**, the **principal member** change **your** correspondence address, please contact **us** as soon as reasonably possible, as **we** will send any correspondence to the address **you** last gave **us**.

Correspondence

Letters between **us** must be sent by post and with the postage paid. **We** do not return original documents, with the exception of official documents such as birth or death certificates. However, if **you** ask **us** at the time **you** send any original documents to **us**, such as invoices, **we** can provide certified copies.

Applicable law

Your membership is governed by English law. Any dispute that cannot otherwise be resolved will be dealt with by courts in England.

If any dispute arises as to interpretation of this document then the English version of this document shall be deemed to be conclusive and taking precedence over any other language version of this document.

This can be obtained at all times by contacting the customer services helpline.

Liability

We shall not be responsible for any loss, damage, illness and/or injury whatsoever, that may occur as a result of any action carried out directly or through a third party, to assist in the provision of services covered by these rules.

Important - please read

You will not be able to add **dependants** on the following products:

- Maritime
- Oil and Gas

Adding dependants

If **your sponsor** agrees, **you**, the **principal member** may apply to include any of **your** family members under **your** membership as one of **your dependants**.

To apply **you**, the **principal member** will need to complete an Adding Members form.

Newborn children can only be included on **your** membership from their date of birth if **you** have completed an Adding Members form, and **we** have received the form before **your** child is 90 days old, provided the child has not been born as a result of **assisted reproduction technologies, ovulation induction treatment**, adopted or born to a surrogate.

Newborn children born as a result of **assisted reproduction technologies, ovulation induction treatment**, adopted or born to a surrogate can be included from their 91st day on completion of an Additional members or Application form.

The medical history for any newborn children **you** apply to include on **your** membership will be reviewed by **our** medical underwriters. This may result in special restrictions or exclusions which will apply from the child's 91st day of life, or **we** may decline to offer cover.

This also applies to newborn children who have been born as a result of assisted reproduction technologies, ovulation induction **treatment**, adopted or born to a surrogate or being enrolled on their own membership who can be included from their 91st day on completion of an Additional Members or Application form.

When cover starts for others on your membership

If any other person is included as a dependant under **you**, the **principal member's** membership, their membership will start on the 'effective date' on the first Membership Certificate **we** sent **you** for **your** current continuous period of **Bupa International** Company membership which lists them as a dependant. Their membership can continue for as long as **you**, the **principal member** remain a member of the plan.

If **you**, the **principal member's** membership ceases, **your dependants** can then, of course, apply for membership in their own right.

MAKING A COMPLAINT

We are always pleased to hear about aspects of **your** membership that **you** have particularly appreciated, or that **you** have had problems with.

If something does go wrong, **we** have a simple procedure to ensure **your** concerns are dealt with as quickly and effectively as possible.

If **you** have any comments or complaints, **you** can call the **Bupa International** customer helpline on +44 (0) 1273 323 563, 24 hours a day, 365 days a year. Alternatively, **you** can email or write to the Head of Customer Relations via www.bupa-intl.com/membersworld or

The confidentiality of personal health information is of paramount concern to the companies in the Bupa group. To this end, Bupa fully complies with applicable data protection legislation and medical confidentiality guidelines. Bupa sometimes uses third parties to process data on **our** behalf. HOW TO USE YOUR PLAN

This booklet explains how to use **your** plan, including; how to make a claim and other important membership information.

TABLE OF BENEFITS

This booklet talks about **your** cover in full detail, including; what is covered and what is not covered.

QUICK REFERENCE GUIDE

This booklet contains a summary of all **your** important contact information; the sort of information **you** are likely to use on a regular basis.

CONTENTS

5	What is covered
7	Your plan - summary
8	Table of benefits
18	What is not covered?

WHAT IS COVERED?

Please read this important information about the kind of costs that **we** cover.

Treatment that we cover

For **us** to cover any **treatment** that **you** receive, it must satisfy all of the following requirements:

- it is at least consistent with generally accepted standards of medical practice in the country in which **treatment** is being received
- it is clinically appropriate in terms of type, duration, location and frequency, and
- it is covered under the terms and conditions of the plan

We will not pay for **treatment** which in **our** reasonable opinion is inappropriate based on established clinical and medical practice, and **we** are entitled to conduct a review of **your treatment**, when it is reasonable for **us** to do so.

Conditions that we cover

Acute conditions

This plan covers **you** for **treatment** of acute conditions. Acute conditions are diseases, illnesses or injuries that respond to medical care without the need for long-term or prolonged **treatment**. The **treatment** that **you** receive should be likely to lead to a complete recovery, or restore **you** as closely as possible to **your** previous state of health.

Please note that this definition above means that **you** do not have cover for **treatment** for chronic conditions (please see the 'What is not covered?' section for more information about chronic conditions).

Acute and chronic conditions – how it works in practice

1. **We** will cover an acute condition until **we** become aware that it is chronic.
2. If **you** develop a condition which is known to be chronic, **we** will pay for **treatment** to:

- diagnose **your** condition
- stabilise **your** condition

but **we** will not pay for ongoing **treatment** or drugs to maintain **your** health or control the condition.

3. If **you** suffer an acute flare-up of a chronic condition **we** will pay for **treatment** **you** receive during this period.

Reasonable and customary charges

We will pay for reasonable and customary costs. This means that the costs charged by **your treatment** provider should not be more than they would normally charge and be representative of charges by other **treatment** providers in the same area*.

* Guidelines for fees and medical practice (including established **treatment** plans, which outline the most appropriate course of care for a specific condition, operation or procedure) may be published by a government or official medical body. In such cases, or where published insurance industry standards exist, **we** may refer to these when assessing and paying claims. Charges in excess of published guidelines or reasonable and customary costs may not be paid.

Table of benefits

The table of benefits shows the benefits, limits and the detailed rules that apply to **your** plan. **You** also need to read the section ‘What is not covered?’ so that **you** understand the exclusions on **your** plan.

Variations to your benefits

Your sponsor may have agreed variations to this benefit table. If so, **your sponsor** will inform **you** of these variations.

Benefit limits

There are two kinds of benefit limits shown in this table. The ‘overall annual maximum’ is the maximum **we** will pay for all benefits in total for each person, each **membership year**. Some benefits also have a limit applied to them separately; for example home nursing.

All benefit limits apply per member. If a benefit limit also applies per **membership year**, this means that once a benefit limit has been reached, that benefit will no longer be available until **you**, the **principal member** renew **your** plan and start a new **membership year**.

If a benefit limit applies for the whole of **your** membership, once this benefit limit has been reached, no further benefits will be paid, regardless of the renewal of **your** plan.

Currencies

All the benefit limits in this table of benefits and notes are set out in three currencies: GBP, USD and EUR. The currency in which **your sponsor** pays **us** subscriptions is the currency that applies to **your** membership for the purpose of the benefit limits.

For example, if **your sponsor** pays **us** subscriptions in GBP then the benefit limits given in GBP apply to **your** membership and USD and EUR limits do not apply to **you**.

If **you** are unsure which level of cover **you** have, the currency that applies to **your** membership, or whether **you**, the **principal member** have an **annual deductible**, **you** can either check on **your** Membership Certificate, through **our** MembersWorld website or contact the customer services helpline.
