protected
wherever I spend
my time ”

Join our unique health scheme
for expatriates in Spain

SANITAS 

BUPA 
International

“I feel
happy because
this scheme is
perfect for me”

If you're thinking about moving to Spain, you have to be sure that your health needs will be taken care of. Whether you're escaping to the sun during the winter months or working in the country for the whole year, Sanitas Health Plan Complete will help you take advantage of the very best health care available.

Especially designed for expatriates living in Spain, for all or part of the year, this tailored health scheme provides comprehensive cover in Spain and a second European country of your choice, giving you the reassurance of seamless health insurance all year round.

complete
care

In safe hands at home and in Spain

This competitively priced scheme means you can rely on first class health cover in two different countries. Brought to you in partnership with Sanitas, Spain's leading private medical insurer, the plan brings you:

- in-patient and out-patient care in Spain and a second European country of your choice
- freedom to choose a doctor or specialist from 20,000 physicians and 520 private medical centres across Spain
- preventive medicine programmes such as child health programme, prevention of coronary risk programme, family planning*
- basic dental treatment*
- second medical opinion of a renowned international specialist on serious illnesses
- emergency medical attention of up to €10,000 per person per claim, wherever you are in the world.

* Services only available within the Spanish network.

cover

Peace of mind with dental cover

Stay in control of your dental health in Spain with our supplementary Sanitas Dental option. You and your family can maintain your dental health with the utmost ease through this comprehensive scheme.

You'll have access to carefully selected health professionals and the very latest dentistry techniques and specialities. Every member will receive their own dental calendar, to help you keep track of your visits and treatments and look up essential information.

Comprehensive cover to suit you

You will be entitled to 100% cover for a wide variety of preventive procedures, as well as for the majority of diagnostic tests, general cleaning, fluoridations, consultations and X-rays. Cover for orthodontics and cosmetic dentistry requires you to pay a highly competitive part contribution.

Easy to arrange

If you'd like to include Sanitas Dental as a supplement to your scheme for a small additional fee of €6.00 each month, please call +44 (0) 1273 208181 or ask your intermediary for more information.
